TERMS OF SALE

1. This sale is an unrestricted Public Auction and Mail Bid Sale. All bids are to be entered by lot as numbered in this catalogue. Mail Bidders should feel free to bid as much as they wish knowing that we will buy the lot, if possible, below their bid. Thousands of bidders to K ATEN SALES can attest to this statement.
2. Prices given following lots are estimates of today's market, and only intended as a guide. You may bid higher or lower as you wish.
3. Auction Sales are not approval sales. By submitting your bids you agree to the Terms of Sale herewith set forth. No lot may be returned without written permission, and request must be made within three days after receipt of material.
4. No commission, service charge or other extras will be made for executing your bids. Only the actual cost of mailing and insurance/registration will be made. On books we charge 50¢ per lot (Others charge \$1.00) with added cost when a number of books are on the same lot. We use discretion and never overcharge you.
5. Bidders unknown to us must furnish references two weeks before the sale date or send a deposit equal to 25% of their bids. Bids will not be executed unless this is followed.
6. Sales are strictly for cash in U.S. Funds (unless other arrangements have been made). Payment must be made immediately upon receipt of notification or delivery.
7. All books are as described. The actual title in a foreign language is given - the cataloguer interprets the title and is in parenthesis.
8. We acknowledge the possibility of errors or typographical mistakes, and any errors or mistakes on our part will be corrected. Please be careful in placing your bids, as we cannot be responsible for your errors. We instituted the duplicate bid sheet 30 years ago for your protection.
9. Please allow at least three weeks for delivery of lots as this sale of such great magnitude requires much time for careful checking and packing.
10. A list of PRICES REALIZED will be published about two weeks after the sale. By marking your bid sheet or ordering before the sale date, the price is \$5.00. This catalogue and price list could prove to be a worthwhile bibliography of numismatic books at today's market.
11. Lots delivered in the State of Maryland are subject to 5% Sales Tax, and will be added to the invoice.

ALL MATERIAL IN THIS SALE WILL BE AVAILABLE FOR INSPECTION

CONSIGNMENT D

A small collection of 'classic auction catalogues' mostly attributed to Attinelli: A Bibliography of American Auction Catalogues 1828-1875. The estimated prices are the estimates given in the 1976 reprint or the latest auction price obtained in the four or five sales conducted by us of the fabulous "Wylie Hoard" during 1977-1980. Condition of the catalogues are collector's quality for these century-old pamphlets. Chipping of brittle covers will not be mentioned-only when the covers are missing. All major faults will be mentioned. Attinelli page numbers are given to facilitate your bidding.

I WOULD LIKE TO TAKE TIME OUT TO COMMEND MR. JOHN W. ADAMS for his newest book, "UNITED STATES NUMISMATIC LITERATURE, Volume I, NINETEENTH CENTURY AUCTION CATALOGS". This book reflects many, many hours of burning the midnight oil, but knowing John these many years, I am sure that he loved each hour, because he loved his subject.

The book to quote the author is organized to satisfy two needs - those of the bibliophile and those of the researcher. The first nineteen chapters focuses on the works of the early auction cataloguers beginning with the country's first coin dealer Edward Cogan.

Part II of the book is addressed to the researcher. Each of the catalogues listed therein has been rated for each of 25 categories of content. Thus a person doing a research project on, for example, territorial gold can quickly draw up a bibliography of major and minor sources of information on that subject.

The author has numbered each catalogue in chronological order, which number will be used by this cataloguer in the future. We shall also be using the page number in Attinelli to further help collectors.

JOHN ADAMS, as a member of the Numismatic Literary Guild, I shall have the pleasure of nominating this finely printed book for the coveted CLEMMY AWARD, NLG's highest honor.
